NOTICE TO ALL GRANT RECIPIENTS!

SUBJECT: NEW PERFORMANCE PROGRESS REPORTING REQUIREMENT

Dear ACF Grant Recipient:

Beginning with FY 2009, ACF grantees will begin using the Standard Form-Performance Progress Report (SF-PPR) for required performance progress reports. The SF-PPR is the standard government-wide performance progress reporting format used by Federal agencies to collect performance information from recipients. Use of ACF's Office of Grants Management (OGM) version of the SF-PPR will begin for all awards (new and continuation) made by ACF in FY 2009. At a minimum, grantees will be required to submit the OGM version of SF-PPR Coversheet and SF-PPR Appendix B Program Indicators, which are specific to ACF performance progress reports and available on this page. Some ACF Programs may utilize reporting formats that differ from the new OGM SF-PPR; therefore grantees should consult the published announcement and their award documents to determine the appropriate performance progress report requirement.

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0039), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET.

Please type or print legibly. The following general instructions explain how to use the form itself. You may need additional information to complete certain items correctly, or to decide whether a specific item is applicable to this award. Usually, such information will be found in the Federal agency's grant regulations or in the terms and conditions of the award (e.g., how to calculate the Federal share, the permissible uses of program income, the value of in-kind contributions, etc.). You may also contact the Federal agency directly.

Item	Entry	Item	Entry
1, 2 and 3.	Self-explanatory.	10b.	Enter any receipts related to outlays reported on the form that are being treated as a reduction of expenditure rather than income, and were not already netted out of the amount shown as outlays on line 10a.
4.	Enter the Employer Identification Number (EIN) assigned by the U.S. Internal Revenue Service.	10c.	Enter the amount of program income that was used in accordance with the deduction alternative.
5.	Space reserved for an account number or other identifying number assigned by the recipient.	Note:	Program income used in accordance with other alternatives is entered on lines q, r, and s. Recipients reporting on a cash basis should enter the amount of cash income received; on an accrual basis, enter the program income earned. Program income may or may not have been included in an application budget and/or a budget on the award document. If actual income is from a different source or is significantly different in amount, attach an explanation or use the remarks section.
6.	Check yes only if this is the last report for the period shown in item 8.	10d.	e, f, g, h, i and j. Self-explanatory.
7.	Self-explanatory.	10k.	Enter the total amount of unliquidated obligations, including unliquidated obligations to subgrantees and contractors. Unliquidated obligations on a cash basis are obligations incurred, but not yet paid. On an accrual basis, they are obligations incurred, but for which an outlay has not yet been recorded. Do not include any amounts on line 10k that have been included on lines 10a and 10j. On the final report, line 10k must be zero.
8.	Unless you have received other instructions from the awarding agency, enter the beginning and ending dates of the current funding period. If this is a multi-year program, the Federal agency might require cumulative reporting through consecutive funding periods. In that case, enter the beginning and ending dates of the grant period, and in the rest of these instructions, substitute the term "grant period" for "funding period."	10l.	Self-explanatory.
9.	Self-explanatory.	10m.	On the final report, line 10m must also be zero.
10.	The purpose of columns I, II, and III is to show the effect of this reporting period's transactions on cumulative financial status. The amounts entered in column I will normally be the same as those in column III of the previous report in the same funding period. If this is the first or only report of the funding period, leave columns I and II blank. If you need to adjust amounts entered on previous reports, footnote the column I entry on this report and attach an explanation.	10n.	o, p, q, r, s and t. Self-explanatory.
10a.	Enter total gross program outlays. Include disbursements of cash realized as program income if that income will also be shown on lines 10c or 10g. Do not include program income that will be shown on lines 10r or 10s. For reports prepared on a cash basis, outlays are the sum of actual cash disbursements for direct costs for goods and services, the amount of indirect expense charged, the value of in-kind contributions applied, and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of actual cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase or decrease in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subgrantees and other payees, and other amounts becoming owed under programs for which no current services or performances are required, such as annuities, insurance claims, and other benefit payments.	11a.	Self-explanatory.
		11b.	Enter the indirect cost rate in effect during the reporting period.
		11c.	Enter the amount of the base against which the rate was applied.
		11d.	Enter the total amount of indirect costs charged during the report period.
		11e.	Enter the Federal share of the amount in 11d.
		Note:	If more than one rate was in effect during the period shown in item 8, attach a schedule showing the bases against which the different rates were applied, the respective rates, the calendar periods they were in effect, amounts of indirect expense charged to the project, and the Federal share of indirect expense charged to the project to date.

Instructions for Requesting Payment of Federal Awards

This award will be paid through the Department of Health and Human Services' Division of Payment Management (DPM), operating under the Program Support Center (PSC). The DPM provides automated grant payment and cash management services for the entire Federal Government. DPM operates the centralized payment system, Payment Management System (PMS), and acts as a liaison between the Administration for Children and Families to resolve any discrepancies. For additional information, please visit their Website at **WWW.DPM.PSC.GOV**.

If this is your first award paid through the DPM, it is recommended that you review their Website. Their New Recipient section provides basic information and addresses both funding and reporting requirements necessary for receiving your awarded funds. It is mandatory that all new recipients complete and send to DPM a Direct Deposit Sign-Up Form (SF 1199A). The form can be printed from DPM's Website or obtained from your local financial institution.

The DPM operates in a completely electronic environment; therefore, paper payment requests and Treasury checks are no longer used. All requests and payments are made electronically. DPM utilizes two funding request systems, Cashline and Smartlink II. Grantees are provided instructions by DPM on the procedures and Federal requirements necessary to receive your funding.

Cashline allows the grantees to dial directly into a "voice response" computer via a touch tone telephone. Smartlink II allows the grantees to request their funding via a computer and modem and may be accessed through the Internet. Smartlink II's most notable advantage over Cashline is the grantee's ability to "inquiry" into account balances.

Regardless of the method used to initiate a payment request, funds are electronically deposited into the designated bank account the next business day. Funds can be requested as frequently as disbursements are made under both systems. Since funds are available the next business day, regulations prohibit payments in excess of your immediate disbursement needs.

Payment method for state agencies shall be consistent with Treasury/State CMIA agreements or default procedures codified under 31 CFR Part 205.

If after visiting the DPM Website you have additional questions or require more information, please contact DPM at 1-877-614-5533 from 7:00 AM to 6:30 PM est.

OPPORTUNITY TO COMMENT – SIMPLIFICATION OF FEDERAL GRANT PROGRAMS

Opportunity to Comment – Simplification of Federal Grants Programs

On November 20, 1999, the President signed into law the Federal Financial Assistance Management Improvement Act (Public Law 106-107) whose purposes are to improve the delivery of services to the public and the effectiveness and performance of Federal grant programs. Federal agencies are working with OMB to: develop uniform administrative rules and common application and reporting systems; replace paper with electronic processing in administration of grant programs; and identify statutory impediments to grants programs simplification.

Consultation with the recipient community is an important part of the grant program simplification effort. We welcome ideas to make it easier for State, local and tribal governments and nonprofit organizations to apply for and report on federal grants. Please send your comments via email to: PL106107@os.dhhs.gov and be sure to include the name of the organization you represent.

We want to know which processes in the grants life cycle need streamlining and/or improvement, and your suggestions for achieving improvements. We need to know what is most important to you, in terms of grants simplification. Finally, we want you to identify the specific grant program(s) that you find to be most burdensome, with some detail about why they are burdensome, individually or collectively, because we need to focus our efforts on those programs that are in the greatest need of review and streamlining.

Your input is valued, and is part of the larger process of achieving the goals of P.L. 106-107, namely simplification of Federal grant programs for the benefit of our recipients. Please note there will not be any individual response to the input, however, we intend to periodically provide summary information relating to implementation of the law, under the "What's New" link in GrantsNet (www.hhs.gov/grantsnet). Thank you for your participation.

Contact the affected Federal awarding agency or pass-through entity if you have any questions.

Failure to meet the single audit requirements could result in your entity having to repay grant monies and/or losing access to future Federal funding.

Additional Information and Where to Get Help

◆ *OMB Source Documents*

Single audit requirements are set forth in OMB Circular A-133 and the OMB Circular A-133 Compliance Supplement, which are on OMB's website (www.omb.gov/grants).

◆ *Federal Agency Contact for General Assistance*

A Federal agency has been designated to answer your questions and provide help when needed with your single audit. This designation is generally based upon which Federal agency provides you with the most direct Federal funding. (Circular A-133 (paragraph .400) provides specific guidance for determining which Federal agency is designated to assist you.)

The single audit contacts are listed in Appendix III of the OMB Circular A-133 Compliance Supplement.

◆ *Highlights of the Single Audit Process*

The Grants Management Committee of the Chief Financial Officers Council produced a pamphlet, *Highlights of the Single Audit Process*, to acquaint officials of Federal awarding agencies and non-Federal entities with the single audit process. It is available on the FAC website (harvester.census.gov/fac).

Single Audit Basics and Where to Get Help

for Federal Grant Recipients

Grants Management Committee

Background

Each year, the Federal Government provides over \$400 billion—one-sixth of the Federal budget—in grants to non-Federal entities (States, local and tribal governments, colleges and universities, and other non-profit organizations). Audits are a primary tool used by the Federal government to ensure that these funds are expended properly.

Basic Requirements

All non-Federal entities that expend \$500,000 or more of Federal awards in a year are required to obtain an annual audit in accordance with the Single Audit Act Amendments of 1996, Office of Management and Budget (OMB) Circular A-133, "Audits of States, Local Governments and Non-Profit Organizations," the OMB Circular A-133 Compliance Supplement and *Government Auditing Standards*.

Entities expending less than \$500,000 in a year are exempt from Federal audit requirements, but must make records available for review or audit by Federal agencies or pass-through entities (non-Federal entities from whom they receive Federal funds), if requested.

What is a Single Audit?

Most non-Federal entities annually prepare financial statements and have them audited. A single audit combines the annual financial statement audit with additional audit coverage of Federal funds. The single audit is intended to meet the basic audit needs of both the non-Federal entity and Federal awarding agencies. Any additional auditing by the Federal government shall build upon work performed by other auditors.

Your Primary Responsibilities

In addition to your responsibility to administer Federal awards in compliance with Federal requirements, you have a key role to play in the single audit process:

- ◆ *Identifying Federal awards received and expended.*

You are required to account for Federal funds received and expended by individual award. This information

is usually provided in grant award documents. Check with the awarding agency if you have any questions.

- ◆ *Preparing financial statements and a Schedule of Expenditures of Federal Awards (SEFA).*

Most non-Federal entities prepare annual financial statements for their own purposes and are familiar with the process. Your auditor can usually answer any questions on financial statement preparation.

OMB Circular A-133 sets forth the minimum content requirements for the SEFA. Questions on the preparation of the SEFA can be addressed to your auditor, Federal awarding agency, or pass-through entity.

- ◆ *Obtaining the audit and ensuring it is completed.*

OMB Circular A-133 requires that Federal administrative rules be followed in procuring audit services, which can be found on OMB's website. Factors to consider in evaluating proposals for audit services include responsiveness to the request for proposal, availability of staff with professional qualifications and relevant experience, results of quality reviews and price.

The Mid-America Intergovernmental Audit Forum (www.auditforum.org) has published a pamphlet, *Choosing an External Auditor*, to assist non-Federal entities in the procurement of audit services.

The Government Accountability Office's website (www.gao.gov) also contains a pamphlet, *How to Avoid a Substandard Audit: Suggestions for Procuring an Audit*. *Government Auditing Standards*, the standards auditors must follow in conducting the audit, are also available at this site.

- ◆ *Submitting the audit reporting package and Data Collection Form (form SF-SAC) to the Federal Audit Clearinghouse (FAC) and pass-through entities*

The reporting package includes your financial statements and SEFA, the auditor's reports, including a schedule of findings and questioned costs, and, if applicable, your corrective action plan and a summary

schedule of prior audit findings.

You and your auditor jointly prepare form SF-SAC. You are encouraged to prepare the SF-SAC using the online option at the FAC website (harvester.census.gov/fac). Blank forms can be downloaded from the FAC's website and hard copies are also available on request.

It is your responsibility to submit the SF-SAC together with the appropriate number (per the SF-SAC instructions) of reporting packages to the FAC within 30 days of the receipt of the auditor's reports, but no later than 9 months after the end of your fiscal year. The FAC distributes the reporting package to Federal agencies and maintains an archival copy. Information from the form SF-SAC is captured by the FAC in an electronic database, which is publicly accessible via its website.

For more information concerning submissions to the FAC, contact the FAC at govs.fac@census.gov or toll-free at 1-888-222-9907.

If you are a subrecipient receiving Federal funds from a pass-through entity, you are also required to submit either a copy of the reporting package, or a notification that the audit was completed, to each pass-through entity that provides you with Federal funding. Contact your pass-through entity (ies) for questions concerning submissions to them.

- ◆ *Taking corrective action on audit findings.*

You are required to prepare a corrective action plan that addresses each audit finding. The affected Federal awarding agency(ies) or pass-through entity(ies) should contact you on the acceptability of your plan or alternative actions it expects you to take. You are responsible for taking those actions.

PAYMENT INFORMATION FOR AMERICAN REINVESTMENT AND RECOVERY ACT (ARRA) RECIPIENTS

The ARRA requires that ARRA-funded grants be individually tracked to monitor each grantee's advances and expenditures. Consequently, PMS requires the establishment of 'P' accounts for all grantees receiving ARRA funds to enable grant-by-grant tracking. Each 'P' account has associated 'subaccounts' that the grantor agency establishes and each subaccount represents a discrete ARRA-funded grant.

To request advances from these 'P' accounts, grantees must identify the specific sub accounts (ARRA funded grant awards) from which the funds will be drawn. The sub-accounts are linked to specific grant awards in PMS and will be tied to the PMS payee account that ends in a P, P1, or P2. 'P' accounts do not permit cash pooling which is common among HHS agency grantees—that is, a grantee cannot pool advances from multiple grants into a single payment request. All grantees must request advances individually from each separate ARRA-funded grant.

Current PMS users will use the same log-in and password to request drawdowns for these grants. New PMS users will receive log-in and password information directly from the Division of Payment Management.

If you require assistance with your PMS account, please contact the PMS account representative for your state as listed on the DPM website, www.dpm.psc.gov, or you may call 1-877-614-5533 from 7:00 AM to 6:30 PM Eastern Standard Time.
